§ 1602.1 Purpose.

This part contains the rules and procedures the Legal Services Corporation follows in making records available to the public under the Freedom of Information Act.

§ 1602.2 Definitions.

As used in this part—

(a) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Corporation will look to the use to which a requester will put the documents requested. When the Corporation has reasonable cause to doubt the requester's stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) *Duplication* means the process of making a copy of a requested record pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.

(d) *FOIA* means the Freedom of Information Act, 5 U.S.C. 552.

(e) *Non-commercial scientific institution* means an institution that is not operated on a "commercial" basis and which is operated solely for the pur-

pose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(f) *Office of Inspector General records* means those records as defined generally in this section which are exclusively in the possession and control of the Office of Inspector General of the Legal Services Corporation.

(g) *Records* means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Corporation in connection with the transaction of the Corporation's business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Corporation, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purposes.

(h) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of "freelance" journalists, they will be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(i) *Review* means the process of examining documents located in response to a request to determine whether any

Legal Services Corporation

§ 1602.5

portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(j) *Search* means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

(k) *Submitter* means any person or entity from whom the Corporation receives grant application records.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003]

§ 1602.3 Policy.

The Corporation will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. Records will be withheld from the public only in accordance with the FOIA and this part. Records exempt from disclosure under the FOIA may be made available as a matter of discretion when disclosure is not prohibited by law, and disclosure would not foreseeably harm a legitimate interest of the public, the Corporation, a recipient, or any individual.

§ 1602.4 Records published in the Federal Register.

The Corporation routinely publishes in the FEDERAL REGISTER information on its basic structure and operations necessary to inform the public how to deal effectively with the Corporation. The Corporation will make reasonable efforts to currently update such information, which will include basic information on the Corporation's location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

§ 1602.5 Public reading room.

(a) The Corporation will maintain a public reading room at its office at 750 First Street, NE., Washington, DC, 20002. After June 1, 2003, the Corporation's public reading room will be located at its office at 3333 K Street, NW., Washington, DC, 20007. This room will be supervised and will be open to the public during the regular business hours of the Corporation for inspecting and copying records described in paragraph (b) of this section.

(b) Subject to the limitation stated in paragraph (c) of this section, the following records will be made available in the public reading room:

(1) All final opinions, including concurring and dissenting opinions, and orders issued in the adjudication of cases;

(2) Statements of policy and interpretations adopted by the Corporation that are not published in the FEDERAL REGISTER;

(3) Administrative staff manuals and instructions to the staff that affect the public or recipients;

(4) Copies of records, regardless of form or format, released to any person in response to a public request for records pursuant to §1602.8 which the Corporation has determined are likely to become subject to subsequent requests for substantially the same records, and a general index of such records;

(5) The current index required by §1602.7;

(6) To the extent feasible, other records considered to be of general interest to recipients or members of the public in understanding activities of the Corporation or in dealing with the Corporation in connection with those activities.

(c) Certain records otherwise required by FOIA to be available in the public reading room may be exempt from mandatory disclosure pursuant to section 552(b) of the FOIA and §1602.9. Such records will not be made available in the public reading room. Other records maintained in the public reading room may be edited by the deletion of identifying details concerning individuals to prevent a clearly unwarranted invasion of personal privacy. In

Part 1602 effective December 31, 2008.

§ 1602.6

such cases, the record shall have attached to it a full explanation of the deletion. The extent of the deletion shall be indicated, unless doing so would harm an interest protected by the exemption under which the deletion is made. If technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Records required by the FOIA to be maintained and made available in the public reading room that are created by the Corporation on or after November 1, 1996, shall be made available electronically. This includes the index of published and reading room records, which shall indicate which records are available electronically.

(e) Most electronic public reading room records will also be made available to the public on the Corporation's websites at <http://www.lsc.gov> and <http://otg.lsc.gov>.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003]

§ 1602.6 Procedures for use of public reading room.

Any member of the public may inspect or copy records described in §1602.5(b) in the public reading room during regular business hours. Because it will sometimes be impossible to produce records or copies of records on short notice, a person who wishes to inspect or copy records is advised to arrange a time in advance, by telephone or letter request made to the Office of Legal Affairs. Persons submitting requests by telephone will be notified whether a written request would be advisable to aid in the identification and expeditious processing of the records sought. Written requests should identify the records sought in the manner provided in §1602.8(b) and should request a specific date for inspecting the records. The requester will be advised as promptly as possible if, for any reason, it may not be possible to make the records sought available on the date requested.

§ 1602.7 Index of records.

The Corporation will maintain a current index identifying any matter within the scope of §1602.4 and §1602.5(b) (1) through (5). The index will be maintained and made available for public inspection and copying at the Corporation's office in Washington, DC. The cost of a copy of the index will not exceed the standard charge for duplication set out in §1602.13(e). The Corporation will also make the index available on its websites.

§ 1602.8 Requests for records.

(a) Except for records required by the FOIA to be published in the FEDERAL REGISTER (§1602.4) or to be made available in the public reading room (§1602.5), Corporation records will be made promptly available, upon request, to any person in accordance with this section, unless it is determined that such records should be withheld and are exempt from mandatory disclosure under the FOIA and §1602.9.

(b) Requests. Requests for records under this section shall be made in writing, with the envelope and the letter or e-mail request clearly marked Freedom of Information Request. All such requests shall be addressed to the Corporation's Office of Legal Affairs. Requests by letter shall use the address given in §1602.5(a). E-mail requests shall be addressed to info@smtplsc.gov. Any request not marked and addressed as specified in this paragraph will be so marked by Corporation personnel as soon as it is properly identified, and will be forwarded immediately to the Office of Legal Affairs. A request improperly addressed will not be deemed to have been received for purposes of the time period set forth in paragraph (i) of this section until it has been received by the Office of Legal Affairs. Upon receipt of an improperly addressed request, the General Counsel or designee shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of the Corporation who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope

Part 1602 effective December 31, 2008.

Legal Services Corporation

§ 1602.8

of the request. If it is determined that a request does not reasonably describe the records sought, the requester shall be so informed and provided an opportunity to confer with Corporation personnel in order to attempt to reformulate the request in a manner that will meet the needs of the requester and the requirements of this paragraph.

(d) To facilitate the location of records by the Corporation, a requester should try to provide the following kinds of information, if known:

(1) The specific event or action to which the record refers;

(2) The unit or program of the Corporation which may be responsible for or may have produced the record;

(3) The date of the record or the date or period to which it refers or relates;

(4) The type of record, such as an application, a grant, a contract, or a report;

(5) Personnel of the Corporation who may have prepared or have knowledge of the record;

(6) Citations to newspapers or publications which have referred to the record.

(e) The Corporation is not required to create a record or to perform research to satisfy a request.

(f) Estimated fees. The Corporation shall advise the requester of any estimated fees as promptly as possible. The Corporation may require that fees be paid in advance, in accordance with §1602.13(i), and the Corporation will advise a requester as promptly as possible if the fees are estimated to exceed \$25 or any limit indicated by the requester.

(g) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request should indicate the grounds for a waiver or reduction of fees, as set out in §1602.13(f). The Corporation shall respond to such request as promptly as possible.

(h) Format. The Corporation will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format.

(i)(1) The General Counsel or designee, upon request for any records made in accordance with this section, except in the case of a request for Office of Inspector General records, shall

make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excepting Saturdays, Sundays, and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(2) Initial response/delays. If the General Counsel or designee determines that a request or portion thereof is for Office of Inspector General records, the General Counsel or designee shall promptly refer the request or portion thereof to the Office of Inspector General and send notice of such referral to the requester. In such case, the Counsel to the Inspector General or designee shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 working days after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(3) Unusual circumstances. As used in this part, "unusual circumstances" are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency or organization, such as a recipient, having a substantial interest in the determination of the request or among two or more components of the Corporation

§ 1602.9

having substantial subject matter interest therein.

(j) If a request is particularly broad or complex so that it cannot be completed within the time periods stated in paragraph (i) of this section, the Corporation may ask the requester to narrow the request or agree to an additional delay.

(k) When no determination can be dispatched within the applicable time limit, the General Counsel or designee or the Counsel to the Inspector General or designee shall inform the requester of the reason for the delay, the date on which a determination may be expected to be dispatched, and the requester's right to treat the delay as a denial and to appeal to the Corporation's President or Inspector General, in accordance with §1602.12. If no determination has been dispatched by the end of the 20-day period, or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with §1602.12. The General Counsel or designee or the Counsel to the Inspector General or designee may ask the requester to forego appeal until a determination is made.

(l) After it has been determined that a request will be granted, the Corporation will act with due diligence in providing a substantive response.

(m)(1) Expedited treatment. Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged Corporation or Federal government activity and the request is made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exist possible questions about the Corporation's or the Federal government's integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and received by the Corporation pursuant to paragraphs (b) of this section.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need that is certified by the requester to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing.

(4) Within ten calendar days of its receipt of a request for expedited processing, the General Counsel or designee or the Inspector General or designee shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously by the Corporation.

§1602.9 Exemptions for withholding records.

(a) A requested record of the Corporation may be withheld from public disclosure only if one or more of the following categories exempted by the FOIA apply:

(1) Matter which is related solely to the internal personnel rules and practices of the Corporation;

(2) Matter which is specifically exempted from disclosure by statute (other than the exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issues, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(3) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(4) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other

than an agency in litigation with the Corporation;

(5) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(6) Records or information compiled for law enforcement purposes including enforcing the Legal Services Corporation Act or any other law, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(b) In the event that one or more of the exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted shall be indicated at the place in the record where the deletion is made. In appropriate cir-

cumstances, at the discretion of the Corporation officials authorized to grant or deny a request for records, and after appropriate consultation as provided in §1602.10, it may be possible to provide a requester with:

(1) A summary of information in the exempt portion of a record; or

(2) An oral description of the exempt portion of a record.

(c) No requester shall have a right to insist that any or all of the techniques in paragraph (b) of this section should be employed in order to satisfy a request.

(d) Records that may be exempt from disclosure pursuant to paragraph (a) of this section may be made available at the discretion of the Corporation official authorized to grant or deny the request for records, after appropriate consultation as provided in §1602.10. Records may be made available pursuant to this paragraph when disclosure is not prohibited by law, and it does not appear adverse to legitimate interests of the Corporation, the public, a recipient, or any person.

§ 1602.10 Officials authorized to grant or deny requests for records.

(a) The General Counsel shall furnish necessary advice to Corporation officials and staff as to their obligations under this part and shall take such other actions as may be necessary or appropriate to assure a consistent and equitable application of the provisions of this part by and within the Corporation.

(b) The General Counsel or designee and the Counsel to the Inspector General or designee are authorized to grant or deny requests under this part. In the absence of a Counsel to the Inspector General, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Counsel to the Inspector General under this part. The General Counsel or designee shall consult with the Office of Inspector General prior to granting or denying any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which

are maintained by other components of the Corporation. The Counsel to the Inspector General or designee shall consult with the Office of the General Counsel prior to granting or denying any requests for records.

§ 1602.11 Denials.

(a) A denial of a written request for a record that complies with the requirements of § 1602.8 shall be in writing and shall include the following:

(1) A reference to the applicable exemption or exemptions in § 1602.9 (a) upon which the denial is based;

(2) An explanation of how the exemption applies to the requested records;

(3) A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;

(4) An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made;

(5) The name and title of the person or persons responsible for denying the request; and

(6) An explanation of the right to appeal the denial and of the procedures for submitting an appeal, including the address of the official to whom appeals should be submitted.

(b) Whenever the Corporation makes a record available subject to the deletion of a portion of the record, such action shall be deemed a denial of a record for purposes of paragraph (a) of this section.

(c) All denials shall be treated as final opinions under § 1602.5(b).

§ 1602.12 Appeals of denials.

(a) Any person whose written request has been denied is entitled to appeal the denial within 90 days by writing to the President of the Corporation or, in the case of a denial of a request for Office of Inspector General records, the Inspector General, at the addresses given in § 1602.5(a) and § 1602.8(b). The envelope and letter or e-mail appeal should be clearly marked: "Freedom of Information Appeal." An appeal need not be in any particular form, but should adequately identify the denial, if possible, by describing the requested record, identifying the official who

issued the denial, and providing the date on which the denial was issued.

(b) No personal appearance, oral argument, or hearing will ordinarily be permitted on appeal of a denial. Upon request and a showing of special circumstances, however, this limitation may be waived and an informal conference may be arranged with the President or designee, or Inspector General or designee, for this purpose.

(c) The decision of the President or the Inspector General on an appeal shall be in writing and, in the event the denial is in whole or in part upheld, shall contain an explanation responsive to the arguments advanced by the requester, the matters described in § 1602.11(a) (1) through (4), and the provisions for judicial review of such decision under section 552(a)(4) of the FOIA. The decision shall be dispatched to the requester within 20 working days after receipt of the appeal, unless an additional period is justified pursuant to § 1602.8(i) and such period taken together with any earlier extension does not exceed 10 days. The decision of the President or the Inspector General shall constitute the final action of the Corporation. All such decisions shall be treated as final opinions under § 1602.5(b).

(d) On an appeal, the President or designee shall consult with the Office of Inspector General prior to reversing in whole or in part the denial of any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Inspector General or designee shall consult with the President prior to reversing in whole or in part the denial.

§ 1602.13 Fees.

(a) No fees will be charged for information routinely provided in the normal course of doing business.

(b) Fees shall be limited to reasonable standard charges for document search, review, and duplication, when records are requested for commercial use;

See attached amendments to 45 C.F.R.

§ 1602.13

(c) Fees shall be limited to reasonable standard charges for document duplication after the first 100 pages, when records are sought by a representative of the news media or by an educational or non-commercial scientific institution; and

(d) For all other requests, fees shall be limited to reasonable standard charges for search time after the first 2 hours and duplication after the first 100 pages.

(e) The schedule for charges for services regarding the production or disclosure of the Corporation's records is as follows:

(1) Manual search for and review of records will be charged as follows:

- (i) Band 1: \$16.15
- (ii) Band 2: \$26.66
- (iii) Band 3: \$39.15
- (iv) Band 4: \$51.41
- (v) Band 5: \$54.59

(vi) Charges for search and review time less than a full hour will be billed by quarter-hour segments;

(2) Computer time: actual charges as incurred;

(3) Duplication by paper copy: 13 cents per page;

(4) Duplication by other methods: actual charges as incurred;

(5) Certification of true copies: \$1.00 each;

(6) Packing and mailing records: no charge for regular mail;

(7) Express mail: actual charges as incurred.

(f) Fee waivers. A requester may seek a waiver or reduction of fees below the fees established under paragraph (e) of this section. A fee waiver or reduction request will be granted where LSC has determined that the requester has demonstrated that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations of the Corporation or Federal government and is not primarily in the commercial interest of the requester.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation or Federal government, the Corporation shall consider the following four factors:

(i) The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the Corporation or Federal government." The subject of the requested records must concern identifiable operations or activities of the Corporation or Federal government, with a connection that is direct and clear, not remote or attenuated.

(ii) The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of Corporation or Federal government operations or activities. The requested records must be meaningfully informative about government operations or activities in order to be likely to contribute to an increased public understanding of those operations or activities. The disclosure of information that is already in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding where nothing new would be added to the public's understanding.

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested records will contribute to "public understanding." The disclosure must contribute to a reasonably broad audience of persons interested in the subject, as opposed to the personal interest of the requester. A requester's expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative of the news media will satisfy this consideration.

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of Corporation or Federal government operations or activities. The public's understanding of the subject in question, as compared to the level of public understanding existing prior to the disclosure, must be enhanced by the disclosure to a significant extent.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of

Part 1602 effective December 31, 2008.

§ 1602.13

45 CFR Ch. XVI (10–1–08 Edition)

the requester, the Corporation will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure. LSC shall consider any commercial interest of the requester (with reference to the definition of “commercial use” in this part) or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure.

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily” in the commercial interest of the requester. A fee waiver or reduction is justified where the public interest is greater in magnitude than that of any identified commercial interest in disclosure. LSC ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed primarily to serve a public interest.

(3) Where LSC has determined that a fee waiver or reduction request is justified for only some of the records to be released, LSC shall grant the fee waiver or reduction for those records.

(4) Requests for fee waivers and reductions shall be made in writing and must address the factors listed in this paragraph as they apply to the request.

(g) No fee will be charged under this section unless the cost of routine collection and processing of the fee payment is likely to exceed \$6.50.

(h) Requesters must agree to pay all fees charged for services associated with their requests. The Corporation will assume that requesters agree to pay all charges for services associated with their requests up to \$25 unless otherwise indicated by the requester. For requests estimated to exceed \$25, the Corporation will first consult with the requester prior to processing the request, and such requests will not be deemed to have been received by the

Corporation until the requester agrees in writing to pay all fees charged for services.

(i) No requester will be required to make an advance payment of any fee unless:

(1) The requester has previously failed to pay a required fee within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required. (The request will not be deemed to have been received by the Corporation until such payment is made.); or

(2) The Corporation determines that an estimated fee will exceed \$250, in which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in any event within 5 working days of receipt by the Corporation, giving the best estimate then available. The notification shall offer the requester the opportunity to confer with appropriate representatives of the Corporation for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by the Corporation for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by the Corporation.

(j) When a requester has previously failed to pay a properly charged FOIA fee within 30 days of the date of billing, the Corporation may require the requester to pay the full amount due, plus any applicable interest, and to make an advance payment of the full amount of any anticipated fee before the Corporation begins to process a new request or continues to process a pending request (including appeals) from that requester.

(k) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

See attached amendments to 45 C.F.R.
Part 1602 effective December 31, 2008.

Legal Services Corporation

Pt. 1603

(l) If the Corporation reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, the Corporation shall aggregate such requests and charge accordingly. Likewise, the Corporation will aggregate multiple requests for documents received from the same requester within 45 days.

(m) The Corporation reserves the right to limit the number of copies that will be provided of any document to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003]

§ 1602.14 Submitter's rights process.

(a) When the Corporation receives a FOIA request seeking the release of a submitter's grant application(s), or portions thereof, the Corporation shall provide prompt written notice of the request to the submitter in order to afford the submitter with an opportunity to object to the disclosure of the requested grant application(s) (or any portion thereof). The notice shall reasonably describe the grant application(s), or portions thereof, requested and inform the submitter of the process required by paragraph (b) of this section.

(b) If a submitter who has received notice of a request for the submitter's grant application(s) desires to object to the disclosure of the grant application(s) (or any portion thereof), the submitter must identify the information for which disclosure is objected and provide LSC with a written detailed statement to that effect. The statement must be submitted to the FOIA Officer in the Office of Legal Affairs and must specify the grounds for withholding the information under FOIA or this Part. In particular, the submitter must demonstrate why the information is commercial or financial information that is privileged or confidential. The submitter's statement must be provided to LSC within seven business days of the date of the notice from the Corporation. If the submitter

fails to respond to the notice from LSC within that time, LSC will deem the submitter to have no objection to the disclosure of the information.

(c) Upon receipt of written objection to disclosure by a submitter, LSC shall consider the submitter's objections and specific grounds for withholding in deciding whether to release the disputed information. Whenever LSC decides to disclose information over the objection of the submitter, LSC shall give the submitter written notice which shall include:

(1) A description of the information to be released and a notice that LSC intends to release the information;

(2) A statement of the reason(s) why the submitter's request for withholding is being rejected; and

(3) Notice that the submitter shall have 5 business days from the date of the notice of proposed release to appeal that decision to the LSC President, whose decision shall be final.

(d) The requirements of this section shall not apply if:

(1) LSC determines upon initial review of the requested grant application(s), or portions thereof, the requested information should not be disclosed;

(2) The information has been previously published or officially made available to the public; or

(3) Disclosure of the information is required by statute (other than FOIA) or LSC regulations.

(e) Whenever a requester files a lawsuit seeking to compel disclosure of a submitter's information, LSC shall promptly notify the submitter.

(f) Whenever LSC provides a submitter with notice and opportunity to oppose disclosure under this section, LSC shall notify the requester that the submitter's rights process under this section has been triggered. Whenever a submitter files a lawsuit seeking to prevent the disclosure of the submitter's information, LSC shall notify the requester.

[68 FR 7438, Feb. 14, 2003]

2996d(g).¹ LSC has implemented FOIA procedures through the adoption of regulations found at 45 CFR Part 1602.

On December 31, 2007, President Bush signed the Openness Promotes Effectiveness in our National Government Act of 2007 (“OPEN Government Act” or “Act”) into law. The OPEN Government Act amends FOIA in an effort to improve media and public access to government records. In order to bring LSC’s FOIA regulations into conformance with the changes to FOIA made by the OPEN Government Act provisions, the LSC Board of Directors initiated a rulemaking on August 2, 2008 and LSC issued a Notice of Proposed Rulemaking (NPRM) on August 14, 2008 (73 Fed. Reg. 45764) proposing revisions to the regulation and seeking public comment. LSC received no comments on the NPRM and LSC adopts the revisions to the regulation as proposed. The changes to Part 1602 are discussed in greater detail below.

Section-by-Section Analysis

Definitions—45 CFR 1602.2

Section 1602.2(g)—Records

Under LSC’s regulations, “records” are various materials “made or received by the Corporation in connection with the transaction of the Corporation’s business and preserved by the Corporation.” 45 CFR 1602.2(g). Section 9 of the OPEN Government Act expands the statutory definition of “record” to include any information that is maintained for an agency by an entity under Government contract, for the purposes of records management. LSC proposed to amend § 1602.2(g) to conform the regulation with the expanded statutory definition by specifically referencing information maintained by LSC under contract for the purposes of records management. LSC adopts the revisions as proposed.²

Section 1602.2(h)—Representatives of News Media

FOIA provides that “representatives of the news media” may not be charged fees for search and review time associated with responding to their FOIA requests. 5 U.S.C. 552(a)(4)(A)(ii)(II). The term “representative of the news media” is not defined in FOIA, but LSC’s FOIA

regulation at Part 1602 currently contains a definition based on a definition of that term appearing in guidance published by the Office of Management and Budget. *See* 53 FR 6151 (March 1, 1988); 52 FR 10012 (March 27, 1987).

The OPEN Government Act of 2007 clarifies that “freelance” journalists and “alternative media” news sources (such as online news sources) are “representatives of the news media” for the purposes of the fee structure. Specifically, § 3 of the OPEN Government Act defines “representative of the news media” as “any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience.” That section goes on to provide:

In this clause, the term ‘news’ means information that is about current events or that would be of current interest to the public. Examples of news-media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of ‘news’) who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news-media entities. A freelance journalist shall be regarded as working for a news-media entity if the journalist can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation; the Government may also consider the past publication record of the requester in making such a determination.

Although LSC’s existing definition of “representative of the news media” is not substantively inconsistent with or contrary to the newly clarified definition in the OPEN Government Act, LSC believes that it is prudent to amend its regulatory definition to reflect the revised statutory language. LSC believes that substituting the clarified definition for the existing one will ensure that LSC’s regulation reflects the full intent of Congress. Accordingly, LSC proposed to amend § 1602.2(h) to reflect the statutory language. LSC adopts the definition as proposed.

Requests for Records—45 CFR 1602.8

Agencies are required to make determinations on whether to comply with FOIA requests within twenty (20) business days of receipt of a request.

LEGAL SERVICES CORPORATION

45 CFR Part 1602

Procedures for Disclosure of Information Under the Freedom of Information Act

AGENCY: Legal Services Corporation.

ACTION: Final rule.

SUMMARY: LSC is revising its regulation on procedures for disclosure of information under the Freedom of Information Act to implement changes in that law made by the OPEN Government Act of 2007. LSC is also designating the Office of Inspector General as a separate component for receiving requests for its records and making two technical amendments.

DATES: This Final Rule is effective as of December 31, 2008.

FOR FURTHER INFORMATION CONTACT:

Mattie Cohan, Senior Assistant General Counsel, Office of Legal Affairs, Legal Services Corporation, 3333 K St., NW., Washington, DC 20007; 202-295-1624 (phone); 202-337-6519 (fax); mcohan@lsc.gov (e-mail).

SUPPLEMENTARY INFORMATION: LSC is subject to the Freedom of Information Act (FOIA) by the terms of the Legal Services Corporation Act. 42 U.S.C.

¹ Absent this authority, LSC would not otherwise be subject to FOIA since LSC is not an agency, department or instrumentality of the Federal government. 42 U.S.C. 2996d(e)(1).

² In accordance with **Federal Register** requirements, LSC is not including any specific regulatory text language in this preamble. Readers are referred to the regulatory text section *supra*.

5 U.S.C. 552(a)(6)(A)(i). LSC has incorporated this requirement into its regulations at 45 CFR 1602.8(i). The OPEN Government Act provides additional instruction to clarify when the time limit begins to run. Specifically, section 6 of the OPEN Government Act provides that:

The 20-day period under clause [5 U.S.C. 552(a)(6)(A)(i)] shall commence on the date on which the request is first received by the appropriate component of the agency, but in any event not later than ten days after the request is received by any component of the agency that is designated in the agency's regulations under this section to receive requests under this section. [sic] The 20-day period shall not be tolled by the agency except:

(I) That the agency may make one request to the requester for information and toll the 20-day period while it is awaiting such information that it has reasonably requested from the requester under this section; or

(II) If necessary to clarify with the requester issues regarding fee assessment. In either case, the agency's receipt of the requester's response to the agency's request for information or clarification ends the tolling period.

Unlike some agencies subject to FOIA, LSC has had only one component designated to receive requests, the Office of Legal Affairs. The Office of Inspector General (OIG) is not a separate component designated to receive FOIA requests under LSC's regulations, although the General Counsel or designee forwards requests for records maintained by the OIG for processing and response. Under the current regulation, when FOIA requests are for OIG records and they are referred over to the OIG, the 20-day time limit for response only starts for the OIG when the OIG receives the request upon referral from the Office of Legal Affairs. However, under the new statutory requirements, the OIG's 20-day time limit will commence when the OIG receives the request from the Office of Legal Affairs, but in no event later than 10 working days from when the Office of Legal Affairs receives the request. Thus, if for some reason the referral is not made on a timely basis, the OIG could lose some or all of its response time before its response would be deemed late through no action on inaction on the part of the OIG.

Designating the OIG as a separate component authorized to receive requests directly would ameliorate, although not entirely eliminate, this potential problem. In addition, LSC notes that it is typical practice in other agencies with Inspectors General for those Offices of Inspector General to be separately designated components authorized to receive and process FOIA

request directly. Accordingly, LSC proposed to revise 45 CFR 1602.8(i) to incorporate the provisions of the OPEN Government Act discussed above and to designate the Office of Inspector General as a component authorized to receive FOIA requests for its records. LSC adopts the revisions as proposed.

In addition, LSC proposed to redesignate paragraph (i)(2) as (i)(2)(i), and amend that paragraph to provide for the mutual referral by the respective Offices of FOIA requests received for the others' documents. LSC also proposed add a new paragraph (i)(2)(ii) to clarify when the 20-day period under paragraph (i)(1) begins to run for each respective Office. LSC adopts the revisions as proposed.

Exemptions for Withholding Records—45 CFR 1602.9

Under FOIA, entire documents or portions thereof may be withheld from disclosure if one or more specified exemptions apply. 5 U.S.C. 552(b). If a particular document contains information that can be withheld from disclosure which may reasonably be segregated from the material which must be released, the agency must (with limited exception) release the segregable portion of the record and indicate the amount of information which has been deleted. *Id.* Section 12 of the OPEN Government Act imposes a further requirement that the agency inform requesters of the exemption under which redacted information is being withheld. LSC proposes incorporating this new requirement into its regulations by amending § 1602.9(b) to insert the words "and the exemption under which the deletion is made" after the words "amount of information deleted" where they appear in the second and third sentences of that paragraph. LSC adopts the revision as proposed.

Officials Authorized to Grant or Deny Requests for Records—45 CFR 1602.10

Under the current regulation, because the OIG is not separately designated to receive its own FOIA requests, the Counsel to the Inspector General or designee is required to consult with the Office of the General Counsel prior to granting or denying requests for records which have been referred to the OIG. 45 CFR 1602.10(b). With the change, discussed elsewhere herein, to designate the OIG as a unit authorized to receive FOIA requests directly, this requirement is obsolete. Accordingly, LSC is deleting this requirement from the regulation by deleting the last sentence of § 1602.10(b).

In addition, under the current regulation, the Office of the General Counsel is required to consult with the OIG when a requested record originated with the OIG but is now maintained elsewhere within the Corporation. 45 CFR 1602.10(b). This ensures that the OIG has notice of the request and an opportunity to participate in the potential release of OIG records by the Office of General Counsel. With the change, discussed elsewhere herein, to designate the OIG as a component authorized to receive FOIA requests directly, it is appropriate to adopt a parallel provision requiring the OIG to consult with the Office of the General Counsel prior to granting or denying a request for a record which originated in a component of the Corporation other than the OIG but which is being maintained by the OIG. Accordingly, LSC proposed to add a new last sentence of § 1602.10(b) requiring such consultation. LSC adopts the revision as proposed.

Fees—45 CFR 1602.13

FOIA provides for the assessment of fees on requesters associated with the processing of their FOIA requests. 5 U.S.C. 552(a)(4). Prior to the adoption of the OPEN Government Act, applicable fees could be assessed when authorized under FOIA, regardless of the timeliness of the response to the requester. Section 6 of the OPEN Government Act has changed that, providing now that, for FOIA requests received on or after December 31, 2008, an agency which fails to provide a timely response may not assess search fees, except in cases involving unusual or exceptional circumstances. In the case of requesters who are representatives of the news media, since they are already not subject to search charges, the OPEN Government Act provides that, for FOIA requests received on or after December 31, 2008, applicable duplication fees will not be charged when the agency provides an untimely response. LSC proposed to implement this statutory change by amending § 1602.13, Fees, by redesignating paragraph (b) as a paragraph (b)(1) and adding a new paragraph (b)(2) to incorporate the statutory requirement. LSC adopts the revision with minor modifications to the text for clarity and to explicitly reference that the limitation on the charging of fees applies only the requests received on or after the effective date of the revision.

Technical Changes—References to LSC's Address

Although not required by the OPEN Government Act, LSC is taking this

opportunity to make two technical changes to the regulation, both referencing addresses for the submission of FOIA requests.

Section 1602.5—Public Reading Room

When the Corporation last amended Part 1602 in 2003, it was in the process of moving its offices from 750 First St. NE., Washington, DC to its current location at 3333 K St., NW., Washington, DC. Section 1602.5, which sets forth the address of LSC's public reading room and is also the address referenced in the instructions for the submission of FOIA requests in § 1602.8(b), was amended at that time to include both addresses. The reference to the First St. NE. address is now obsolete. Accordingly, LSC proposed to delete the reference to that obsolete address and amend the first sentence of § 1602.5(a) to reference LSC's current address. LSC adopts the revision as proposed.

Section 1602.8—Requests for Records

LSC proposed a technical change to § 1602.8(b) to update the email address requesters are required to use to submit FOIA requests. The current regulation lists an email address of *info@smtp.lsc.gov*, which is a general information email address. In order to improve handling and processing of FOIA requests, LSC has since established a dedicated FOIA email address to ensure that FOIA requests are identified and processed separately from other general information requests submitted to the Corporation. Accordingly, LSC proposed to amend paragraph (b) to delete the old email address, and substitute the correct dedicated FOIA e-mail address: *FOIA@lsc.gov* in the third sentence of paragraph (b). LSC adopts the revision as proposed.

Freedom of Information, Reporting and recordkeeping requirements.

■ For the reasons set forth above, LSC amends 45 CFR part 1602 as follows:

PART 1602—PROCEDURES FOR DISCLOSURE OF INFORMATION UNDER THE FREEDOM OF INFORMATION ACT

■ 1. The authority citation for part 1602 continues to read as follows:

Authority: 42 U.S.C. 2996d(g); 5 U.S.C. 552.

■ 2. Paragraphs (g) and (h) of § 1602.2 are revised to read as follows:

§ 1602.2 Definitions.

(g) *Records* means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Corporation in connection with the transaction of the Corporation's business and preserved by the Corporation (either directly or maintained by a third party under contract to the Corporation for records management purposes), as evidence of the organization, functions, policies, decisions procedures, operations, or other activities of the Corporation, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purposes.

(h) *Representative of the news media* means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. In this clause, the term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of "news") who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news media entities. A freelance journalist shall be regarded as working for a news media entity if the journalist can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation; the Corporation may also consider the past publication record of the requester in making such a determination.

■ 3. Paragraph (a) of § 1602.5 is revised to read as follows:

§ 1602.5 Public reading room.

(a) The Corporation will maintain a public reading room its office at 3333 K St. NW., Washington, DC, 20007. This room will be supervised and will be open to the public during the regular business hours of the Corporation for

inspecting and copying records described in paragraph (b) of this section.

* * * * *

■ 4. Paragraphs (b) and (i)(1) and (2) of § 1602.8 are revised to read as follows:

§ 1602.8 Requests for records.

* * * * *

(b) Requests. Requests for records under this section shall be made in writing, with the envelope and the letter or e-mail request clearly marked Freedom of Information Act Request. All such requests shall be addressed to the Corporation's Office of Legal Affairs or, in the case of requests for records maintained by the Office of Inspector General, to the Office of Inspector General. Requests by letter shall use the address given in § 1602.5(a). E-mail requests shall be addressed to *FOIA@lsc.gov* or, in the case of requests for records maintained by the Office of Inspector General, *FOIA@oig.lsc.gov*. Any request not marked and addressed as specified in this paragraph will be so marked by Corporation personnel as soon as it is properly identified, and will be forwarded immediately to the Office of Legal Affairs, or as appropriate, the Office of Inspector General. A request improperly addressed will only be deemed to have been received as in accordance with paragraph (i) of this section. Upon receipt of an improperly addressed request, the General Counsel or designee (or Counsel to the Inspector General or designee) shall notify the requester of the date on which the time period began.

* * * * *

(i)(1)(i) The General Counsel or designee, upon request for any records made in accordance with this section, except in the case of a request for Office of Inspector General records, shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excepting Saturdays, Sundays and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(ii) In the case of a request for any Office of Inspector General records made in accordance with this section, the Counsel to the Inspector General or designee shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester

within 20 days (excepting Saturdays, Sundays and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(i)(2)(i) If the General Counsel or designee determines that a request or portion thereof is for the Office of Inspector General records, the General Counsel or designee shall promptly refer the request or portion thereof to the Office of Inspector General and send notice of such referral to the requester. If the Counsel to the Inspector General or designee determines that a request or portion thereof is for Corporation records not maintained by the Office of Inspector General, the Counsel to the Inspector General or designee shall promptly refer the request or portion thereof to the Office of Legal Affairs and send notice of such referral to the requester.

(ii) The 20-day period under paragraph (i)(1) of this section shall commence on the date on which the request is first received by the appropriate Office (the Office of Legal Affairs or the Office of Inspector General), but in no event later than 10 working days after the request has been received by either the Office of Legal Affairs or the Office of Inspector General. The 20-day period shall not be tolled by the Office processing the request except that the processing Office may make one request to the requester for information pursuant to paragraph (c) of this section and toll the 20-day period while it is awaiting such information that it has reasonably requested from the requester under this section; or, if necessary to clarify with the requester issues regarding fee assessment. In either case, the processing Office's receipt of the requester's response to such a request for information or clarification ends the tolling period.

* * * * *

■ 5. Paragraph (b) introductory text of § 1602.9 is revised to read as follows:

§ 1602.9 Exemptions for withholding records.

* * * * *

(b) In the event that one or more of the exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted and the exemption under which the deletion is being made

shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted and the exemption under which the deletion is being made shall be indicated at the place in the record where the deletion occurs.

* * * * *

■ 6. Paragraph (b) of § 1602.10 is revised to read as follows:

§ 1602.10 Officials authorized to grant or deny requests for records.

* * * * *

(b) The General Counsel or designee and the Counsel to the Inspector General or designee are authorized to grant or deny requests under this part. In the absence of a Counsel to the Inspector General, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Counsel to the Inspector General under this part. The General Counsel or designee shall consult with the Office of the Counsel to the Inspector General or designee prior to granting or denying any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Counsel to the Inspector General or designee shall consult with the Office of the General Counsel prior to granting or denying any request for records or portions of records which originated with any component of the Corporation other than the Office of Inspector General, or which contain information which originated with a component of the Corporation other than the Office of Inspector General, but which are maintained by the Office of Inspector General.

■ 7. Paragraph (b) of § 1602.13 is amended by redesignating paragraph (b) as (b)(1) and adding paragraph (b)(2) to read as follows:

§ 1602.13 Fees.

* * * * *

(b) * * *

(2) If no unusual circumstances, as set forth in § 1602.8 apply, for requests received on or after December 31, 2008, if LSC has failed to comply with the time limits set forth in that section, otherwise applicable search fees will not be charged to a requester. In such cases, if the requester is a representative

of the news media, otherwise applicable duplication fees will not be charged.
