The Legal Services Corporation (LSC) distributes appropriated funds to local non-profit organizations that provide free civil legal assistance, according to locally-determined priorities, to people living in poverty. The Congress chartered the corporation as a private, non-profit entity outside of the Federal Government. Funding for LSC helps ensure that low-income Americans have an opportunity to obtain access to the courts, due process and fair treatment. The Budget proposes to continue the Pro Bono Innovation Fund that was established in 2014, to support new and innovative projects that promote and enhance pro bono initiatives throughout the country.
