INTRODUCTION

I am pleased to send to you the 2005 Legal Services Corporation Fact Book. This Fact Book contains selected national data on 2005 LSC program funding, legal services to clients including Private Attorney Involvement (PAI), client demographics, and program staffing. Also included is selected historical data from prior years.

The 2005 LSC Fact Book contains actual data with no extrapolations or estimates. Most of the data is derived from the Grant Activity Reports, a data collection process required of all LSC-funded programs in which data is submitted to LSC in March of each year. The remainder of the data is collected from budget and funding records of LSC-funded programs.

The 2005 LSC Fact Book concisely compiles these vital statistics on LSC-funded programs for easy use and reference. This information offers a national perspective on the resources available to and the services provided by LSC-funded programs. It is a useful reference for the LSC community and can also be used in presenting and explaining to those outside the LSC community what LSC-funded civil legal aid programs do for those low-income persons in need of civil legal assistance.

I would like to thank Mulumebet Wolde and the staff of the LSC Office of Information Management, under the direction of John Meyer, for their careful work in preparing this 2005 LSC Fact Book.

We are very interested in answering any questions you may have or receiving comments about this document, including suggestions for other data compilations that would be useful to all programs. Please feel free to contact John Meyer, Director, Office of Information Management, at jmeyer@lsc.gov or at 202-295-1505.

¹ There are three types of service areas: Basic Field – General, which are geographical areas that are States and other political jurisdictions or portions thereof, collectively covering all of the United States and serving all client-eligible persons therein; Basic Field – Migrant, which are entire States or political jurisdictions, but are limited to serving eligible Migrant Farmworkers therein; and Basic Field – Native American, which are descriptive and only approximately geographical and serve only Native Americans therein. Grantee programs may, and often do, serve more than one service area.

² The computation of the number of attorneys includes all Job Codes 5 to 11 (Litigation Director to Staff Attorney) and all Directors and Deputy Directors who are attorneys. It does not include the small number of attorneys serving in non-attorney positions – e.g. Management Professionals who are attorneys.

³ This number is less than the number of cases closed because some clients have more than one case.

⁶ Funding for Basic Field – Native American service areas is not calculated by Native American poverty population. In many instances, accurate Native American poverty population figures are not available. Native American service areas are not always by county or other political subdivision. These service areas are sometimes described by language such as: Native Americans living in or near the ___ Reservation and members of the _____ Tribe living off reservation who have cases which require litigation in the Tribal court.

Private Attorney Involvement

13 Private Attorney Involvement (PAI) is an LSC program to involve private attorneys (those not working for an LSC grantee) in the delivery of legal services to low-income clients eligible for LSC-funded legal assistance. As provided in 45 C.F.R. 1614, LSC grantees are required to devote at least 12.5% of the amount of their LSC Basic Field-General funding to this method of delivery of legal services.

14 Pro Bono – PAI programs in which attorneys are recruited and assisted to provide legal services to eligible clients without compensation.

Contract/Judicare – PAI programs in which attorneys are compensated at a reduced rate to provide legal services to eligible clients, either

- (1) Under a **contract** with the grantee program under which an attorney receives a reduced fee either for a single case or for a set number of cases.
- (2) As a member of a “**Judicare**” panel where all private attorneys who practice in the service area are invited to participate. Attorneys may elect on a case-by-case basis whether to take a client. Under some models clients may choose freely among panel attorneys while under others, panel attorneys are assigned to a client by rotation.

Other PAI – Any PAI program not falling into the pro bono or contract/Judicare category, such as co-counseling arrangements with individual attorneys or law firms.
