PREFACE

I am pleased to present the 2010 Legal Services Corporation Fact Book. This Fact Book contains selected national data on 2010 LSC program funding; legal services to clients provided by LSC-funded programs, including services provided through Private Attorney Involvement (PAI); client demographics; and program staffing. Selected historical data from prior years are also included.

The 2010 LSC Fact Book reflects actual data with no extrapolations or estimates. Most of the data are derived from the Grant Activity Reports that all LSC-funded programs are required to submit to LSC in March of each year reflecting activity in the previous calendar year. The remainder of the data is collected from budget and funding records of LSC-funded programs.

This information offers a national perspective on the resources available to and the services provided by LSC-funded programs. It presents a useful overview of what LSC-funded civil legal aid programs do for low-income persons in need of civil legal assistance.

I would like to thank Mulumebet Wolde and the staff of the LSC Office of Information Management, under the direction of John Meyer, for their careful and painstaking work in preparing this 2010 LSC Fact Book.

We are very interested in answering any questions you may have and in receiving comments about this document, including suggestions for other data compilations that would be useful. Please feel free to contact John Meyer, Director of LSC's Office of Information Management, at meyerj@lsc.gov or at 202-295-1505.

¹ There are three types of service areas: Basic Field – General, which are geographical areas that are States or other political jurisdictions or portions thereof, collectively covering all of the United States and serving all client-eligible persons therein; Basic Field – Migrant, which are entire States or other political jurisdictions, but are limited to serving eligible Migrant Farmworkers therein; and Basic Field – Native American, which are descriptive and only approximately geographical and serve only Native Americans therein. Grantee programs may, and often do, serve more than one service area.

² The computation of the number of attorneys includes all Job Codes 5 to 11 (Litigation Director to Staff Attorney) and all Directors and Deputy Directors who are attorneys. It does not include the small number of attorneys serving in non-attorney positions – e.g. management professionals who are attorneys.

³ This number is less than the number of cases closed because some clients have more than one case.

⁶ Funding for Basic Field – Native American service areas is not calculated by Native American poverty population. In many instances, accurate Native American poverty population figures are not available. Native American service areas are not always by county or other political subdivision. These service areas are sometimes described in terms such as "Native Americans living in or near the ___ Reservation and members of the _____ Tribe living off reservation who have cases which require litigation in the Tribal Court".

⁹ LSC significantly revised/updated the criteria for case reporting/closure in the 2008 CSR Handbook. Four categories -- C-Referred After Legal Assessment, D-Insufficient Merit, E-Client Withdrew, J-Change in Eligibility -- were discontinued. One, L-Extensive Service, was added, and the title of one, B-Brief Service, was changed to Limited Action. See descriptions below of these two and of Counsel and Advice.

Counsel and Advice -A case closed in which the program provided legal advice to an eligible client should be closed as Counsel and Advice (e.g., the advocate ascertained and reviewed relevant facts, exercised judgment in interpreting the particular facts presented by the client and in applying the relevant law to the facts presented, and counseled the client concerning his or her legal problem).

Limited Action - A case closed in which the program took limited action(s) on behalf of an eligible client that addressed the client's legal problem that is not so complex or extended as to meet the requirements for CSR Category L should be closed as Limited Action. Examples include communications by letter, telephone or other means to a third party; preparation of a simple legal document such as a routine will or power of attorney

Extensive Service - A case closed in which the program undertook extensive research, preparation of complex legal documents, extensive interaction with third parties on behalf of an eligible client, or extensive on-going assistance to clients who are proceeding pro se should be closed as Extensive Service. Some examples of extensive service include preparation of complex advance directives, wills, contracts, real estate documents or other legal documents, or the provision of extensive transactional work.

Other PAI	20,035	5,427	4,454

12 Private Attorney Involvement (PAI) is an LSC program to involve private attorneys (those not working for an LSC grantee) in the delivery of legal services to low-income clients eligible for LSC-funded legal assistance. As provided in 45 C.F.R. §1614, LSC grantees are required to devote at least 12.5% of the amount of their LSC Basic Field-General funding to this method of delivery of legal services.

13 Pro Bono – PAI programs in which attorneys are recruited and assisted to provide legal services to eligible clients without compensation.

Contract/Judicare – PAI programs in which attorneys are compensated at a reduced rate to provide legal services to eligible clients, either

(1) By a **contract** with the grantee program under which an attorney receives a reduced fee either for a single case or for a set number of cases.

(2) As a member of a “**Judicare**” panel where all private attorneys who practice in the service area are invited to participate. Attorneys may elect on a case-by-case basis whether to take a client. Under some models, clients may choose among panel attorneys while under others, panel attorneys are assigned to a client by rotation.

Other PAI – Any PAI program not falling into the pro bono or contract/Judicare category, such as co-counseling arrangements with individual attorneys or law firms.
