Re: **Quality Visit Program Report**
      Recipient Number 610040

Dear Mr. Genz:

We received the June 2, 2009 draft report of the visit conducted by the Office of Program Performance during the week of March 30, 2009. I would like to extend my thanks to you and to the other members of the team for the courtesy and consideration you extended to our staff during your visit, and our appreciation for the careful and thoughtful recommendations the team has provided to us.
We are in substantial agreement with the Findings of the team, and are currently addressing the team's Recommendations.

You asked that we notify you of any factual inaccuracies in the Report. The Report is factually correct except for four minor points:

Page 1 - Reference should be to the Legal Aid Society of the Dade County Bar Association rather than to the Miami Dade Legal Aid Society.

Page 8 - Reference should be to the Miami Workers Center rather than to the Workers' Center.

Page 8 - Attorneys go to the Miami Workers Center twice a month rather than twice a week.

Page 19   - Reference should be to the director of grant development and funder relations rather than to director of resource development.

Please do not hesitate to contact me if you require any additional information or wish to discuss this matter with me further.

Sincerely,

Marcia K. Cypen
Executive Director
