

The Committee recommended that Part 1614 of the Regulations be repealed and that Part 1613 be changed consistent therewith. The report of the Committee was postponed before action was taken with respect to this recommendation.

The Corporation's Role Regarding Clinical Legal Education

Robert McKay, former Dean of New York University Law School, Millard Ruud, Executive Director of the Association of American Law Schools, Peter Liacouras, Dean of Temple University Law School, Professor Joseph Harbaugh, Temple University Law School Faculty, Edgar Cahn, Dean of Antioch Law School, Charles Jones, Director of the Corporation's Office of Field Services and Richard Carter, Director of the Corporation's Office of Program Support participated in a discussion on the relations between the Corporation, legal services programs, and clinical legal education.

Resolution Regarding Bernard Veney, Director, National Clients Council

It was moved by Mr. Ortigue, seconded by Mr. Kutak, that the following resolution be adopted:

RESOLVED, for his leadership role in furthering the participation of clients in Legal Services policy-making at every level, his vital and dynamic advocacy to increase Legal Services appropriations to help make equal access to equal justice a reality and his dedicated efforts to express the views of the clients,

The Directors of the Legal Services Corporation express to Bernie Veney their great appreciation and best wishes for the future.
