

Board Resolution

May 5-6, 1978

Re: revision of support center contracts

RESOLVED, that the Board authorizes the staff of the Corporation, by letter agreement, to revise the standard contract arrangement between the Corporation and the national support centers to permit training activities and the preparation of handbooks and other forms of specialized material that, in the judgment of the staff, are consistent with the current efforts of the Corporation and further the purposes of the Legal Services Corporation Act of 1974, as amended.
