

Designation Form for the State of: _____

Having consulted with the statewide web site stakeholder committee, I designate the following programs to receive the donated licenses for HotDocs 6.0 under the 2002-03 LexisNexis Access to Justice Initiative. Representatives from these organizations have reviewed this letter and agree to its terms.

The terms of the LexisNexis license restricts the use of the software to the “Internal Purposes” of the legal service organization receiving the gift.

Internal Purposes are defined as follows:

“Internal Purposes” means the internal business purposes of License. Internal Purposes shall include use of the Software in support of not-for-profit legal aid services provided by License. Internal Purposes shall exclude any and all commercial service bureau or time-sharing applications or commercial uses in connection with or for the benefit of any third party.
